Project Partners

Industrial relations in the context of the development of outsourcing

INTERNATIONAL CONFERENCE

15 November 2013

The International Auditorium
Boulevard du Roi Albert II, 5 (Brussels)

Final Conference of the PRESUB project with the financial support of the Industrial Relations and Social Dialogue Programme. European Commission - DG Employment, Social Affairs and Inclusion

Industrial Relations in the context of the development of Outsourcing

Towards the end of the project, the research team is looking forward to presenting results of its research activities to scholars, representatives of unions and employer associations as well as other policymakers and sector actors.

Putting special emphasis on linking academic and practical knowledge, the conference focuses on the discussion of outsourcing, unionization and triangular employment relations in countries such as Spain, Belgium and Italy through the presentation of specific case studies.
