### **SECOND/FINAL CIRCULAR**

Dear participants,

This is the final announcement of the 2022 Euroschool/La Rábida. We remind you some important issues to be considered:

- Arrival to La Rábida is expected on September 11th (Sunday). A bus departing from Sevilla (airport and Santa Justa railway station) has been reserved. The bus is expected to depart from Sevilla airport at 18.00, with a brief stop at 18.30 in Santa Justa Railway Station (Sevilla), arriving to La Rábida at 20.00. Any changes will be published in the web page. Somebody from the organization will be at both stops and at the bus.
- The meeting point at the airport is the arrival area and at Santa Justa Station is just outside the main entrance.
- Departure from La Rábida will be on September 17th (Saturday). Again, a bus to Sevilla will be provided. The bus departure time will be around 9.00 h, right after breakfast.
- The specific agenda with the scientific program, the scheduled social events, and the list of seminars are also available at the web page.
- There is free wifi access for the conference attendees and accompanying persons in the UNIA campus at La Rábida under eduroam.
- Weather at La Rábida in September tends to be still on the warm side but could be a little fresh, specially during the night. Bring light clothing. Also some afternoons, beach trips are planned. Bring with you swimwear and a towel. Also a cap, dark glasses, and sunscreen could be put to good use.
- For the night and the boat trip it will be convenient to bring some jersey, jacket or light coat.
- Finally, some basic information dealing with your daily life in La Rábida, namely, board, lodging, entertainment, social events, etc., is also given on the web page. Please read it carefully.
- Remember that in Spain it is still compulsory to wear the face-mask in public transportation (bus in particular).
- We will also recommend to wear the face-mask during the lessons.
- For those coming by car, note that there is a parking lot in the Campus.
- In case of emergency you can reach José-Enrique García-Ramos at the phone number +34-683325689.

Looking forward to seeing you at La Rábida.
